

Build your Legacy planned giving through Bright Hope

Your Legacy to impact our world

You have seen the great needs of the poor and heard the call to help. You have cultivated a heart full of compassion and generosity. You are creating a legacy of life-changing Hope. We are honored that you have chosen to serve the extreme poor through the ministry of Bright Hope. Thank you.

As servants together with Bright Hope, your impact on those living on less than \$1 a day can continue into the future by choosing to leave a legacy gift. By planning your estate, you can ensure a portion of your legacy will go to bless the poor. You do not need tremendous wealth to consider planned-giving. There are many tax-saving options available and we would be blessed to work alongside you as you craft your legacy gift.

Your legacy builds a new physical, economic and spiritual hope — a sustaining Hope. Your gift changes lives by providing jobs, food, medical care, education, pastor training, native language Bibles, church programs, clothing, water, schools and more.
