BRIGHT  HOPE

## A GIFT HAS BEEN MADE IN YOUR HONOR TO SUPPORT BRIGHT HOPE'S FATHERS' CLUBS.

Fathers' Clubs make a lasting difference in families and communities in Uganda. Families are changed forever when men learn to love God and care for their wives and children! In addition, men who attend a Fathers' Club learn what the Bible teaches about being a man and a leader in their home and community, managing their money, growing food, and raising animals to sell.

**Fathers' Clubs ignite new family legacies with God at the center!**
