

WHO'S RICH? WHO'S POOR?

A look at how income affects our lives.

The chart below groups people around the world into four general standards of living, based on their daily income. Study the photos below to see differences in standards for water sources, transportation modes, cooking facilities and church buildings. 🧑 = 1 billion population in 2017. The dollar amount equates dollars earned per day.*

🧑 EXTREME POOR \$2 🧑🧑 WORKING POOR \$8 🧑🧑 MIDDLE CLASS \$32 🧑 UPPER CLASS

WATER SOURCE

TRANSPORTATION

COOKING

CHURCH

*The "income per person" is presented in U.S. dollars per day.

NEXT STEPS

- LEARN:** Get informed about Bright Hope's work and strategy by visiting the Bright Hope blog. www.brighthouse.org/category/serving-the-poor
- PRAY:** Join Bright Hope's prayer team and receive two prayer requests via text each month. Or, visit our prayer wall to see current prayer requests and praises. www.brighthouse.org/prayer-wall
- GIVE:** It doesn't take much to significantly impact the extreme poor. Consider giving a gift such as a Bible or a farm animal. Visit Bright Hope's catalog. www.brighthouse.org/catalog
