

## Welcome to the Tribe!

We are so excited to have you join our Tribe Kids program. Today you are joining other kids who care about the poor and want to do anything they can to help.

### What does it mean to be a part of Tribe Kids?

Being part of the Bright Hope Tribe means that you have a heart for people in need and want to do something about it. Together, we can do a lot of good in the world, and do what the Bible says in Isaiah 58:10...

“Feed the hungry, and help those in trouble.”

### Here’s how it works:

1. We let you know when there are specific needs or programs where we need help.
2. We give you ideas and resources to make a difference, like:
  - Information sheets about the problem so you can tell your friends and family
  - Prayer requests you can talk to Jesus about
  - Ideas for fun activities to help raise money, if you’re interested
3. You can get inspiration and ideas from our [Tribe Kids YouTube channel](#)—and even share videos and stories from your own adventures serving the poor.

**That’s it! It’s so easy to make a difference for the poor.** You don’t have to do anything you don’t want to, and we encourage you to be creative with how you help. Lemonade stands. Garage sales. Prayer times. Birthday parties. There’s no limit to how you can make an impact. If you ever want to donate to our current need, just go to [briighthouse.org/tribekids](http://briighthouse.org/tribekids).

We’ve provided some materials to help you get started, including:

1. Information about our current Tribe Kids mission
2. “Four Easy Steps to Make a Difference” for some quick ideas of what you can do
3. A Mission Journal that you can use to keep track of all the ways you’ve helped

We believe that one of the most important things God asks us to do is serve the poor. You are now a part of that critical mission!

# Four Easy Steps to Make a Difference!

It's easy to serve the poor and help kids who are less fortunate.

And don't forget to catch new videos every week at [brighthouse.org/tk-videos](http://brighthouse.org/tk-videos)

## 1 Pray

Ask God to provide for poor people around the world. Then ask Him to give you ideas for how you can help. Prayer is powerful!

## Act 2

Pick an activity that fits your interests and can raise money to help poor. It could be a lemonade stand, chores around the house, or a collection jar... be creative! When you're done, you can make your donation at [brighthouse.org/tribekids](http://brighthouse.org/tribekids)

## 3 Share

Let people know what you're doing, and how they can help. You can share our Fact Sheets or tell people on social media. Record your own 30-second video telling us about how you're going to help. Send us your video at [brighthouse.org/tk-submit](http://brighthouse.org/tk-submit)

## Challenge

It's more fun when you serve the poor together! Challenge two friends to get involved or come up with their own ideas.
